SO YOU WANT TO START A CLUB?

That's great! Clubs are an excellent way to bring together people with similar interests in an organized way with support from the Students' Association of Bow Valley College (SABVC). Registering—or “ratifying”—your club with the SABVC has a lot of benefits!

This manual will help you get orientated to all that's involved in running a club and will teach you about the support you'll have as a ratified SABVC club.

First things first. You'll need to ratify.

Step One: Envision a New Club

Plan out the purpose and vision for this new club. What will the goal of your club be? How is it different from existing clubs?

Step Two: Find Members and Elect Executives

Complete the application and develop a constitution using our template. If you have any questions, feel free to use our Events & Engagement Coordinator as a resource.

Step Three: Pick Up an Application Package

A total of eight SABVC student members are required to ratify. Hold an election to select at least three executive members, such as a President, Secretary, and Treasurer. Be sure the Executives read the full Club Policy and Procedure documents.

Step Four: Meet with SABVC Staff

Bring in your application package and we'll help make sure everything is accurate and that you understand all you need to know in the Club Agreement Form.

Step Five: Await Approval by Student's Council

Club representatives are welcome to attend the Students' Council meeting where your application will be reviewed. Provided you've followed the policies and procedures, your application will be approved.

Minimum Requirements for Ratification

In order to ratify, there are a few requirements that all clubs must meet. A club must:

1. Have at least eight Bow Valley College student members
2. Be open to current Bow Valley College students only. No alumni or outsiders
3. Not limit or discriminate membership on any basis except on their status as members of the SABVC
4. Have a common purpose or mandate which serves some or all of the Bow Valley College student community or the general welfare of students
5. Have a purpose that is either benevolent, philanthropic, charitable, provident, scientific, artistic, literary, social, educational, agricultural, sporting or other useful purpose, but not for the purpose of carrying on a trade or business
6. Not directly duplicate the purpose of an existing club
7. Submit a current copy of their constitution with their fully completed registration package
8. Not include the terms "Bow Valley College", "Students' Association", "Students' Union" or "Students' Council" in their name

Start-Up Grant

Just for ratifying, your club may be eligible for \$200! Suggested uses for this grant include:

- Club start-up event
- Club t-shirts
- Printing posters or other marketing materials for advertising your club
- Investing in some fundraising—use your \$200 to grow into even more money!
- Covering some expenses of your activities and events... but don't forget to also apply for the Events and Activities Grant. We may help pay for more of your activities! Look under the "Running an Event Section" for more information.

CLUB EXECUTIVE RESPONSIBILITIES

Each club must have at least three "Executive" members—the President, Secretary, and Treasurer. Each Executive is a signing authority for the Club and its functions.

One Executive of the club must be designated as the SABVC liaison who will be the main contact for the Events & Engagement Coordinator.

President

A President does not hold power to make decisions for the whole group but rather ensures that:

- The club operates according to the guidelines of its constitution, and some agreed upon guidelines for running a meeting, such as Robert's Rules of Order;
- The club works towards its objectives as agreed upon by the membership; and
- That the next President is trained.

Secretary

Secretaries ensure that:

- Records of what the group has done are maintained, distributed and are accessible to all the members;
- Minutes/notes are taken at all meetings;
- All club correspondence is monitored, and brought to the attention of the appropriate person(s);
- The duties of the President are undertaken in his/her absence; and
- That the next Secretary is trained.

Treasurer

The Treasurer is responsible for:

- The account and distribution of grant money from SABVC and all financial transactions for the Club;
- Ensuring timely submission of all receipts to the Events & Engagement Coordinator
- Ensuring that the next Treasurer is trained.

Executives are responsible for collecting and handling club members' personal information, with respect to FOIP and CASL

YOUR CLUB'S CONSTITUTION

Your Club's constitution is your guideline for how you will function and organize yourself. It is important for incoming Executives to be familiar with your constitution. The Events & Engagement Coordinator should be informed of any changes to your Constitution when you file your Semi-Annual Report. We've made writing your constitution easy. Fill in the blanks or use our template included in the Application Package as a guide.

EXCLUSIVE CLUB BENEFITS

Running a club has many perks including meeting friends, contributing to your school culture, developing your organizational skills, and building your resume. To support you in this venture, the SABVC can provide:

- A Start-Up Grant and funding for other events and activities
- Exposure and advertising assistance to SABVC members through our website, Facebook, email, and poster distribution
- Table bookings
- Meeting space
- Free printing for club purposes only
- Support and advice on club governance
- A club email address
- Access to bulletin boards
- Insurance coverage for events approved by the SABVC

CLUB BANKING

General Banking Regulations

Please inform the Events & Engagement Coordinator if there are any changes to the Club Executives who are the club signing authorities. If club finance policies and procedures are not adhered to, the SABVC Clubs Representative may administer disciplinary action.

Putting Money Into Your Account

A deposit slip will be available for a Club Executive to complete at the SABVC reception desk. All deposits must be made within seven days of receiving the funds. Cheques must be made out to SABVC—we cannot deposit cheques written out to Bow Valley College or your club.

Getting Money Out of Your Account

Two club signing authorities (Executives) must sign the Account Withdrawal or the Cheque Requisition forms.

Receipts

- Receipts must be submitted by the club's executive(s)
- Only funds spent on previously approved items will be refunded
- All receipts must be itemized (presented as a list or breakdown of specific items)

- Receipts must be submitted within 10 business days of the club activity

For auditing purposes and to show where the funds were used, *receipts must be submitted for all purchases*, even if the money has already been withdrawn from the bank account.

If a receipt is misplaced, a memorandum explaining the expense must be signed by three club signing authorities.

Failure to submit receipts may result in disciplinary action including a verbal warning. Repeatedly losing receipts may result in expenses being reimbursed through a cheque requisition instead of allowing for preliminary withdrawals using the withdrawal slips.

CLUB MEETINGS

Plan regular meeting times. Create an agenda in advance and follow Roberts Rules of Order to run the meetings in an orderly fashion. In exceptional cases, you may use the SABVC meeting space, be sure to arrange this in advance with the SABVC Clubs Representative.

ADVERTISING

The SABVC can help your club advertise, whether you're looking for more members or promoting an event. Here are some ways we can help:

Table Bookings: Please submit an Activity Application and Agreement Form if you would like to book a table. This must be done at least three weeks in advance.

Room Bookings: Rooms have limited availability. In order to accommodate your club's needs, SABVC requires plenty of advanced notice

Posters: We can display posters for your club or event on each of our four bulletin boards. Submit up to four posters to reception for approval—make sure posters have your name and reference to being an SABVC club, the time, date and location of the activity, and contact information. Do NOT include the Bow Valley College logo or name.

Website and Facebook Posts: Talk with our SABVC Clubs Representative if you want your club or event talked about on our website or Facebook page.

Free Printing: If your club would like handbills or information sheets printed (on regular 8 ½ by 11 inch paper), we can do that for you at no cost! Email your documents to events@sabvc.ca and they can be collected from the SABVC front desk.

*Club advertising and promotions **MUST NOT** include the Bow Valley College logo or name under any circumstances.*

RUNNING AN EVENT OR ACTIVITY

This is perhaps the most exciting aspect of participating in a club! While it may seem intimidating to organize an event, we are here to help.

Complete the Activity Application and please book an appointment with the Events & Engagement Coordinator to review your application, and submit it to the SABVC reception desk. This form will help you think through the logistics of your event and is also the application for the Events and Activities Grant.

Events and activities outside of regular meetings **MUST** be approved by the Events & Engagement Coordinator at least three weeks in advance. SABVC is not liable for events and activities that do not have preapproval. Running an event without permission may result in the club being de-ratified

Events should target current students and not alumni.

Examples of Club Events

There are many types of events and activities that clubs may wish to organize, including:

- Fundraisers (for the club or for a charity)
- Graduation parties
- Awareness events for a particular issue, topic, cause, etc.
- Meet and greets (help students in a program or with similar issues get to know one another)
- Networking events (bring in industry representatives to mingle with or present to students)
- Sport events (hiking, skating, skiing, etc.)
- Meet and greets (help students in a program or with similar issues get to know one another)
- Sales (bake sales, book swaps, chocolates, etc. ... just not for the profit of club members)
- Collection initiatives (food drives, clothing collections, toy drives)
- Field trips (Banff tours, University trips, industry related company tour, etc.)

Risk Management

All events and activities come with some form of risk. Adequate pre-planning can ensure that you, your club, and the SABVC are protected. SABVC provides insurance for club activities both on and off campus (one of the great benefits!), but additional insurance and waivers may be necessary for high risk activities and activities with alcohol if the venue is not licensed.

SABVC will not approve pub crawls as the risk is too great.

Speak with the Events & Engagement Coordinator to find out if your club needs additional coverage.

Signing Contracts

It's important to note that a club may not bind the SABVC in anyway. So if, for example, the club wishes to enter into a contract, the club must have the contract signed by a signing authority of the SABVC (the Executive Director, a Vice President, or the President). SABVC provides waivers for events

If the event requires a vendor agreement, it has to be signed by the Club's executives, and the SABVC Executive Director.

Events and Activities Grant

Funding is available to support the cost of club events and activities up to a maximum of 80%. The exact amount is determined based on the club's projected need, the benefit to the student, other available funding opportunities for the club, and the availability of funds in the Students' Council grant budget.

Applying is simple - it's included on the Activity Application and Agreement form so you can't miss it!

SEMI-ANNUAL REPORT

Twice per year, by the May 31st and January 31st, your club will be responsible for filling in a report. This report will inform the SABVC of the club's intention to continue and of any changes in your Executives and constitution. It also helps club members to reflect on their activities and provide advice for incoming club leadership.

A template is provided for your convenience.

This report serves many purposes including:

- Helping club executives reflect on what they've done and learned
- Helping transition in new executives
- Updating the constitution
- Most importantly: the report indicates the club's desire to maintain its active ratified status!

CLUB DOS AND DON'TS

The following highlights some of the important do's and don'ts for student clubs; it is important that clubs be familiar with all club policies. These constitute only a brief summary of club obligations.

Do:

- Abide by their own approved constitution;
- Have the club policy and procedures must read by each club executive member;
- Designate two signing authorities from their executive officers;
- Submit a Semi-Annual Report using the available template outlining the club's events and activities, which includes financial statements for the year. Failure to do so will make the club ineligible for renewal of ratification;
- Ensure that all promotional materials and tickets for events involving alcohol comply with the SABVC Clubs Policy. In particular these must not mention drinking games, below cost drink specials, or free drink offers and must include:
 - No Minors, Picture I.D. Required. Please don't drink and drive
 - The time, date and location of the activity
- Submit all appropriate paperwork, especially the Activity Application & Agreement Form, a minimum of two weeks prior to all club events;
- Participate in semesterly club parade hosted by SABVC.

Do Not:

- Abuse the Students' Association's services, privileges or funding;
- Use all or part of the corporate name, symbol, and/or initials of the Students' Association of Bow Valley College without written consent of the SABVC Events & Engagement Coordinator;
- Use Bow Valley College's corporate name, symbol, and/or initials;
- Use the corporate name and/or symbol of any outside organization without written consent;
- Recruit members to any outside organization (Chapters are excluded from this prohibition – please see the Clubs' Procedures for details);
- Participate in or arrange activities which are deemed by the Students' Association as blatantly disregarding public safety, violating the bylaws or policies of the Students' Association, or damaging the Students' Association, its facility, or its staff or representatives;
- Enter any obligation or contract without the signature of three Students' Association signing authorities. Club executives may not bind the Students' Association or the student club to any contract whatsoever;
- Hold any events or activities outside of regular meetings that have not been expressly approved. If this does occur, the planners will not be acting as members of the student club but as individuals and will be held individually liable for any damages, costs, suits or claims resulting;
- Hold a pub crawl, as they are strictly prohibited by SABVC;
- Hold campus-wide events unless they are in collaboration with SABVC

A club is not an agent or representative of SABVC and has no authority to act on behalf of SABVC.

- 4.2 Approval of club activities at Council is for the purpose of protecting SABVC from potential issues of liability. Council shall not make judgments, comments, or reject events based on their perception of the value of the activity, the use of the Club's money, or the benefit of the activity.

- 2.1 Students' Council has the authority to de-ratify a club based on section 2 of the *Clubs Policy*.

Possible Infractions

- 2.2 A student club will be subject to disciplinary proceedings and may be de-ratified if:
- 2.2.1 The student club fails to comply with any of the Students' Association of Bow Valley College's bylaws, policies, or procedures.
 - 2.2.2 The student club does not abide by the group's own constitution as ratified.

- 2.2.6 The student club recruits members to any outside organization. Chapters are excluded from this prohibition; however, in the case of Chapter groups of other national, provincial or municipal organizations, the Students' Association's rules/regulations, policies and procedures and bylaws will take precedence over any corresponding rules imposed by the "parent" organization.
- 2.2.7 The student club enters into any contract which is not duly authorized and endorsed by the appropriate SABVC signing authorities or designate(s).
- 2.2.8 The student club fails to make deposits and provide proof of deposit of event proceeds within seven (7) business days following the event.

Disciplinary Proceedings

- 2.3 Disciplinary proceedings may range from verbal warnings to recommendations for de-ratification depending on the severity of the infraction and the perceived intent behind it. The following list is only a guideline for the application of disciplinary proceedings and does not diminish the authority of the General Manager and the SABVC Club Representative to use judgment in individual cases or the authority of Students' Council to de-ratify a club for any reason:
 - 2.3.1 For minor infractions with no negative consequences to SABVC or BVC and with no perceived malintent, a verbal warning may be issued by the SABVC Clubs Representative to the club representatives.
 - 2.3.2 For more severe infractions with minor negative consequences to SABVC or BVC with no perceived malintent, a written warning may be issued to the club representatives and placed in the club's file.
 - 2.3.3 For more severe infractions with significant negative consequences to SABVC or BVC with no perceived malintent, actions may be taken which restrict the club's access to some or all SABVC benefits entirely or for a period of time and may result in de-ratification. A club may be

required to replace one or more executive members to maintain their ratification.

- 2.3.4 For any infractions with perceived intent, more severe disciplinary proceedings will be applied up to an including de-ratification.
- 2.4 In the event that a club is subject to disciplinary proceedings more severe than a verbal warning, the SABVC Clubs Representative will prepare a written document outlining the discipline and the reasons for it which will be given to the club executives, placed in the club's file, and provided to Students' Council as information.
- 2.5 In the event that discipline includes a recommendation to Students' Council for de-ratification, the SABVC Clubs Representative will provide a written document outlining the recommendation and the reasons for it to the club executives and the club file in addition to forwarding the recommendation to Students' Council.
- 2.6 A student club that has been de-ratified will be notified by the SABVC President within three (3) business days of the de-ratification. Included in this notice will be the reasons for de-ratification and information regarding the appeal process.
- 2.7 A student club may appeal their de-ratification by providing a letter of intent to appeal to Students' Council within three (3) business days of the de-ratification.
- 2.8 BVC may pursue misconduct proceedings for any unacceptable actions of club members as determined by BVC independent of the above disciplinary actions.

3 Student Clubs Representatives

- 3.1 Each student club shall elect at least three (3) club executives during its annual elections to represent its respective club. The three positions will be President, Secretary, and Treasurer, or positions with similar content but different names. Elections shall be conducted in a fashion outlined in the constitution of the student club.
 - 3.1.1 A student may not be the President of more than one club; however, a President may be a member of another club.
- 3.2 At least three (3) of the elected student club executives shall be registered with the SABVC as signing authorities for the student club. These club signing officers are not signing officers for the SABVC and their authority is limited to their own club functions in accordance with the Clubs Policy and these procedures.
- 3.3 Clubs are volunteer groups and not businesses. Therefore, all club executive positions shall be voluntary and have no remuneration associated with them. Club executives shall not charge a fee for regular services to their club. Occasional extraordinary services unrelated to their positional duties in the club may be remunerated (i.e. performing as a member of a musical act) as long as

the club executive receiving the payment is not involved in approving the purchase of the service. In other words, a club executive facing a potential conflict of interest must declare the conflict of interest to the club members and abstain from any decision where there is a potential for personal gain.

- 3.4 One (1) of the elected student club executives shall be designated as the student club's SABVC Liaison and will be the main point of contact and communication between the club and SABVC.

4 General Student Club Requirements

- 4.1 Each student club shall serve the needs of their members and shall:
 - 4.1.1 Be required to have an executive officer of the student club present at all club meetings.
 - 4.1.2 Submit appropriate forms to the SABVC Clubs Representative for event approvals, bank withdrawals, or grant applications
 - 4.1.3 Receive approval for all club events. Activities undertaken without Students' Association approval may lead to de-ratification of the club. The organizing individuals of unapproved events will hold personal liability for the activity as the activity will not be covered under Students' Association liability insurance.
 - 4.1.4 Submit receipts for expenses incurred as proof of expenditures.
 - 4.1.5 Have no authority or power to bind the Students' Association or the individual student club to a contract of any nature whatsoever. Any contract which the student club wishes to enter into must be executed on behalf of the student club by the authorized signing officers or designate(s) of the Students' Association in accordance with the *Clubs Policy* section 8.2.
 - 4.1.6 Under no circumstances spend or attempt to spend funds in excess of the amount available in the student club's account. On no account will the Students' Association be bound for any expenditure in excess of the account balance.
 - 4.1.7 Submit a semi-annual report to the SABVC Club Representative upon request. This report must include at a minimum: a list of all of the student club's events and activities for the year; a list of the student club's current executive officers; a detailed financial report that shows the group's financial position; a list of the semester's general and executive meetings; a current copy of the club's constitution; and a general description of the clubs continuity plan. This shall serve as the club's request to maintain their ratified status.

- 4.1.8 Be present or represented at all required meetings of the Students' Association including the Annual General Meeting and any Special General Meetings.
- 4.1.9 Recruit members for their own student club but not as members to any outside organization.

5 Benefits and Services for Clubs

- 5.1 Ratified student clubs have special access to Students' Association services and resources subject to availability and approval if required. These are:
 - Funding
 - Participation in Community Events
 - Event Assistance
 - Table Bookings
 - Free printing
 - Advertising Assistance and Mediums
 - Meeting space with enough notice
 - Club mailboxes
 - Insurance

6 Club Events and Activities

Activity Approval

- 6.1 All events and activities hosted by a club must be approved in advance by the SABVC Clubs Representative. An activity can be defined as any event (except meetings) held on or off campus by the members of a student club. The following requirements must be met for club events:
 - 6.1.1 All student club activity requests must be made through an "Activity Application & Agreement Form" and received by the SABVC Clubs Representative a minimum of two (2) weeks in advance of the date of their proposed activity and no more than two (2) months in advance of the proposed activity. This is to ensure a timely event approval and room booking if applicable.
 - 6.1.2 All activities must follow the various guidelines of the following agencies or organizations in order to be considered for approval: Federal, Provincial and Municipal regulatory bodies dealing with that particular activity; BVC policies and procedures; the SABVC bylaws and policies; and any other guidelines set up by Bow Valley College or the SABVC.
- 6.2 The SABVC Clubs Representative will assist clubs in booking appropriate on-campus spaces for approved events and activities if the approved events and

activities meet the criteria established for use of those spaces including all applicable BVC and SABVC policies and procedures.

- 6.3 The SABVC holds adequate insurance coverage for most events student clubs may wish to hold both on and off campus.
- 6.4 Club members will be required to sign waiver forms to assume personal liability for high-risk activities.
- 6.5 Students' Council shall approve Club Events without personal judgment on the use of the Club's Funds.

Alcohol Use at Events

- 6.6 The organizers of all activities where alcohol is to be served, including activities off campus, must adhere to these requirements:
 - 6.6.1 Liquor shall only be served in licensed venues. If a venue is not licensed to serve alcohol, the club must purchase a liquor license and submit proof of the license with their Activity Application.
 - 6.6.2 The organizers of activities are responsible for every aspect of that activity.
 - 6.6.3 At any outside event, the student club is responsible for ensuring the Alberta Gaming and Liquor Control rules, and the rules of the premises are properly enforced. This means the student clubs are responsible for door control, coat check, liquor ticket sales, and security throughout the night if applicable.
 - 6.6.4 Student clubs are responsible for ensuring that food is available to their patrons until the bar closes. Under no circumstances are volunteers allowed to consume or serve any alcohol, at any time during the event before or during each volunteer's shift.
 - 6.6.5 No liquor may be served to anyone who arrives intoxicated and it is in the student club's best interest not to allow him or her in. Under the Alberta Gaming and Liquor Commissions provisions, the student club has a right to prevent entry of an intoxicated person even if the guest has a valid ticket.
 - 6.6.6 The organizers of the student club hosting the event are personally responsible for anyone allowed to become intoxicated at the event.
 - 6.6.7 The student club organizers are responsible for any person attending their event who appears to be intoxicated until that person is sober. If anyone drinks, drives and is involved in an accident, those organizers may also be held accountable in law for contributing to the incident through allowing the driver to become intoxicated.
 - 6.6.8 The Students' Association does not approve of pub crawls under any circumstances, and their organization or promotion by a ratified student club is not permitted.

- 6.6.9 Members of the campus who choose to organize pub crawls should be aware that they, as individuals and independent agents, assume responsibility and potential personal liability for the event and should be aware of all ramifications therein. The organization and implementation or promotion of pub crawls will result in de-ratification of the student club.

- 6.10.1 Student clubs must indicate on their Activity Application Form the preferred dates and times for tables, but the date must not be prior to two weeks after the date that the form is submitted. Every effort will be made to accommodate requests; however, booking is subject to availability. A club representative may work with the General Manager to arrange an available date and time.
 - 6.10.2 Tables can be used for the purpose of recruiting members, promoting activities, or raising funds for the student club but at no time can they be used as a means to recruit membership to any outside organization. Violation of this rule will lead to immediate de-ratification of the student club.
 - 6.10.3 Clubs that do not leave the tables clean will be responsible for paying the costs for cleaning the area.
 - 6.10.4 The frequency of table bookings will be at the discretion of the SABVC Clubs Representative.

12.1.3 If for any reason a club does not maintain a positive bank account balance, the Executive Officers of that club will become personally responsible for financially covering any charges in excess of the club's bank account balance.

12.2 If a club is not re-ratified and becomes inactive for more than one semester, any balance in the club's bank account will be credited towards the Club Funding Budget to be used for future clubs' Start-Up Grants or Activity and Event Grants.

12.3 If a currently un-ratified or de-ratified Club has unpaid invoices or other financial obligations remaining from club activities which occurred while the club was ratified, the SABVC Clubs Representative may authorize payment of those invoices or other financial obligations from the SABVC club account. 12.6.2 If a receipt is misplaced, a memorandum explaining the expense must be signed by all three club signing authorities.
